handcrafted timber windows, doors & stairs

"it's all about the beauty of wood"

Welcome

Brookeswood's hardwood door, window and architectural joinery products will transform your home into something of real beauty, whether it's enhancing the aesthetics of an existing building or creating something unique for an extension or a new build project.

Designed for you and manufactured to last, using the finest engineered timber of your choice. We use European Oak, Grandis and Accoya which is a scientifically modified timber using cutting edge technology. All our timber is fully traceable and FSC approved.

We use selected industry leading components including glass, hardware and paint/finish to complete our products offering the very best in durability, thermal efficiency and security.

Our team of craftsmen have a wealth of experience acquired over many years, enabling us to draw on an extensive range of skills to give you the best help and advice when planning your project.

All of our products are made in the Staffordshire Moorlands, in our own workshops, where we have total control over the manufacturing process.

Everything is factory finished and glazed before leaving us. We have our own installation service too if required.

Being centrally located we are able to manage and complete projects throughout the country, with our advisors always on hand to discuss your requirements in depth.

Doors

Your Front Door is the focal point of your home and choosing the right one is important in creating a striking and lasting impression.

Our door sets are designed to be beautiful in appearance and sturdy in construction made from long lasting hardwoods in any colour or finish.

Whether traditional or contemporary they all feature modern high security multipoint locking as standard. Many designs are available, including single & double doors, stable doors, panelled, tongue & groove, part or fully glazed.

Stained glass and your choice of hardware can be incorporated into the design.

Our doors are fully insulated and comply with CE marking standards.

Bi Fold Doors and French Doors

Our Bi Fold Doors are considered to be some of the most aesthetically pleasing available.

We offer both top hung and bottom roller systems, both provide a graceful smooth operation and even large door sets can be opened with little effort allowing the interior of your home to seamlessly connect with your garden.

We offer both double and triple glazing and a selection of colours and styles to suit your property.

All our door sets are bespoke and made to meet your exact aesthetic and functional requirements.

Available in various configurations from two doors upwards to fit any aperture.

Windows

Whatever the style of your home we have a design of window to enhance the appearance, thermal efficiency and security.

Our Casement Windows are available in a wide variety of styles and finishes from traditional to contemporary.

Featuring easy clean egress hinges and twin cam security locks. The security lock is an eight point system and offers more than double the security of other industry standard products.

Precision engineering gives this lock its smooth effortless operation, simply turn the handle.

Our Sash Windows are traditional in appearance and also incorporate a host of features to make them beautiful, thermally efficient and secure.

We offer a choice of spiral balances or traditional weights and pulleys. We fit full weather sealing using a combination of brush and compression seals. Pre-fitted Secured by Design hardware incorporating locking fitch fasteners.

"Just wanted to say that we are thrilled with our doors & roof lights. They have been giving daily pleasure for nearly a year now. It is so easy to open & close the doors – it all works so well. It also looks wonderful."

Mrs Tiarks. Worcestershire

"Thank you. The windows are beautiful and make such a difference to the warmth and appearance of the house."

Mrs Oberholster. Staffordshire

"Once again Brookeswood excelled. The design was challenging and pushed the boundaries but again their collaborative approach won through and we now have a real show piece that really has created the "wow" factor in our dream home."

Mrs Turner. West Sussex

"It has been an absolute pleasure to deal with you, right from the initial contact, through the various meetings, and the effort and attention to the fitting provided by your fitting team. Thank you to everyone involved, including those unseen heroes in the workshop who actually manufactured the products."

Mr Allat. Staffordshire

"We would like to express our thanks to the team at Brookeswood for the supply and installation of windows & folding sliding doors recently completed at our home. The quality they produce is recognised and truly appreciated and it seems very obvious to us that you have a team of crafts men who take a great deal of pride in their work. As customers we thank them."
